After a careful consideration and analysis of the existing customers of the company and based on actual results and expectations for the upcoming year, the sales team of the company has provided some relevant feedback regarding the projected growth of the company's top customers. Their input is shown in the column "Feedback" and represents the expected year-on-year growth of the revenue from these customers for FY2025. Based on that information the team builds the bottom-up plan of the company's revenue.

Cost of SEO and Ad Campaigns

SEO Optimization is performed by the firm's SEO specialists, who dedicate a certain amount of time to each campaign. These employees are employed on a full-time basis. In addition, 99 Agency uses the services of an overseas outsourcing firm. The firm plans to employ 21 people in 2025 and to pay them an average salary of \$64,000. The additional cost for outsourcing is \$2,100 per SEO campaign.

99 Agency provides complete solutions to its clients. It runs ad campaigns, chooses the best channels for these campaigns, negotiates prices with major social media channels and search engine operators, and tracks the results of these campaigns. The number of people running ads in FY25 will continue to be 15, with an average cost of \$42,800 per employee. In addition, 99 Agency pays advertisers an average of \$7,700 per ad campaign.

SEO Optimization

Ad Campaigns

Other Key Assumptions

- 99 Agency operates in a single country (ABC)
- All SEO and ad campaigns are completed within the same quarter when they are ordered
- The Budgeting Committee agrees upon an average between Bottom-Up and Top-Down revenue targets
- Fixed costs of SG&A remain unchanged
- The ratio of Variable costs of SG&A to revenue remains constant
- Planned CAPEX for the budgeted period by quarters is respectively 70K, 82K, 70K, 95K USD
- D&A as a % of Beginning value of Fixed Assets remains unchanged
- The firm's Financial Liabilities are reduced to \$4.25m in FY26 and it continues to pay the same interest rate
